

Notice of Proposal to Creditors

Just The Thing Pre-Loved Furniture Pty Ltd (In Liquidation)
ACN 606 426 206 ("the Company")

1. Resolution 2

The following proposal is put to creditors for consideration:

"That the internal disbursements claimed by my firm for the period 25 January 2024 to 29 February 2024, calculated at the rates detailed in the report to creditors dated 24 April 2024, are approved for payment in the amount of \$847.11 (exc GST), to be drawn from available funds immediately or as funds become available."

2. Reasons for proposal and the likely impact it will have on creditors if it is passed

Section 60-20(4) of Schedule 2 to the Corporations Act 2001 ("Act") provides that without a resolution of creditors, an external administrator cannot derive a profit or advantage from the external administration. This prohibition does not relate to remuneration, but instead refers to disbursements that may be charged to an external administration by the administrator's firm that contains an element of profit in the charge.

The Liquidator will incur out of pocket expenses and disbursements in the course of the external administration. Some internal disbursements charged by Heard Phillips Lieberenz include an element of profit to reflect the overhead cost recovery for the provision of the service. In these circumstances creditors must agree to the costs charged.

The payment of the Liquidator's disbursements reduces any amount payable to creditors (if any) by way of dividend.

Section 556 of the Act provides that the costs of external administration are paid in priority to unsecured creditor claims.

The effect of approving my disbursements is to fix the Liquidator's internal disbursements which are then paid in accordance with Section 556 of the Act. If the disbursements are not approved, at some future time I will make an application to Court to decide my disbursements, which application will incur further costs in the liquidation and may delay and reduce distributions, if any, to creditors.
